## Neither snow nor rain...

This has been one of the coldest, wettest winters I can remember in Spain. There is snow on the mountains surrounding Madrid. We are trudging through our third week of steady rain.

Someone just asked me what happens with our street ministry when it's raining so much? As long as there are people on the street, we are there, too! People need Jesus no matter what the weather is like.

Eternity is real. Our need for forgiveness is real. What Jesus did for us on the cross is real. We have the best news in the world! May we, as messengers of the gospel, be more faithful to deliver our news than the US postal carriers with their creed.

*"Neither snow nor rain nor heat nor gloom of night stays these couriers from the swift completion of their appointed rounds."*

## Prayer Corner

1. Pray for a growing anointing in our prayer room and during our street evangelism. This is our constant prayer request.
2. Pray that we would present the gospel clearly and with God's heart. (Colossians 4:4) This is our request for all followers of Jesus.
3. Pray for the seven missions teams (and three interns) that will be working with us in the upcoming months - for revelation and anointing over their lives.
4. Pray for complete healing from Stage 4 cancer for our missionary colleague, Julie Bock. There have been some encouraging signs.
